How can I share BEHCA with our child’s teacher / Behavior Consultant / etc?

FAQ · https://behca.com/support/how-can-i-share-behca-with-our-childs-teacher-behavior-consultant-etc/

The best part of data tracking in BEHCA is inviting others to play a part in it, providing a complete picture of an individual's day. An overview of how to invite additional collaborators to contribute towards documentation and to allow access to reporting an be shown in the following Getting Started article
